## Prayer for those affected by the earthquakes in Turkey and Syria

God of mercy,  
We pray for the people of Türkiye and Syria  
following the recent earthquakes.  
We mourn the death and destruction.  
and pray for those who have died and those who grieve.

*Lord, bring them comfort, strength and renewed hope.*

We hold in our hearts those who are injured,  
and those who have lost loved ones, livelihoods, and homes.

*Lord, bring them comfort, strength and renewed hope.*

Sustain and guide all responding to this disaster.  
Grant those affected courage and resilience,  
as they rebuild their lives and communities.

*Lord, bring them comfort, strength and renewed hope.*

Inspire us to unite in solidarity,  
acting swiftly and generously,  
so that help may reach all who need it.  
*Lord, bring them comfort, strength and renewed hope.*

Amen.
